Memorial Mission Gold Star Families Memorial Dedication Albany, New York - 29 Apr 2017

ABOUT THE MISSION:

America has many monuments honoring the patriots that have sacrificed their lives to protect our freedom, as well as those who have faithfully served in our nation's armed forces. There is one group of citizens however, that has not been properly recognized in this manner – Our Gold Star Families.

Last year, the Gold Star Families of the Capital District, in partnership with the Tri-County Council of Vietnam Era Veterans initiated a project to erect a Gold Star Families Memorial Monument in Lafayette Park, Albany. The monument is nearing completion, and the Patriot Guard Riders are privileged to have been invited to attend the dedication ceremony.
