Ride headed up by the Combat Veterans Motorcycle Association New Hampshire chapter 5-1.

BOSCAWEN, N.H. — Motorcyclists hit the road Saturday for a good cause in the Lakes Region.

The New Hampshire Patriot Guard Riders and other veterans took part in a charity ride to benefit the New Hampshire Gold Star Families' Memorial.

The ride was organized by the Combat Veterans Motorcycle Association New Hampshire, chapter 5-1.

Families of the fallen are raising money to build a monument at the state veterans cemetery in Boscawen.

They broke ground on the memorial in April.

They're working with a veterans group out of Kentucky that has built several similar monuments around the United States.
